T/A Ferry Inn and Royal Hotel Stromness

Our two Stromness Hotels provide a variety of accommodation options and offer some of the best places to stay in Orkney. Situated a short walk from Stromness ferry terminal, both The Ferry Inn and The Royal Hotel provide the ideal base for your Orkney holiday. There's off-street parking close by and, with a short drive

from Stromness to Kirkwall, you'll never be far from anywhere on the island. The Ferry Inn sits directly on Stromness harbour front with 12 rooms throughout the hotel and restaurant serving traditional pub food every night. The hotel offers six additional rooms within Harbourside House, located across the street. The Royal Hotel is located in the heart of Stromness, just a short walk from The Ferry Inn. The building is a fascinating part of Orkney's history, having previously been used as a supply warehouse for the Hudson Bay Company. The hotel offers 10 en-suite rooms, a bar and the welcoming Hudson Lounge.
